**SERVICE RESTORATION POLICIES**

1. Account balances and restoration fees must be paid in order for service to be restored.
2. When payments for service restoration on delinquent accounts are received after 3:00 PM, the service will be restored the following business day; unless a \$25 emergency restoration fee is paid. The emergency restoration fee would be charged **in addition** to the \$25 lock-off fee applied to the Customer Account at the date of discontinuance. On restoration of vacant services, due to involvement of locating and preparing the meter boxes, the service would only be restored on the next business day.
3. Restoration of vacant services involves making application for service, provisions of proof of property ownership, and provision of easement (if applicable).
4. At restoration of service, the customer must be present or give written consent for the meter valve to be turned on.
